

MINT

Smooth

Product Description

Mint Smooth Art Paper for Solvent is a 260gsm bright white, matte fine art paper has a luxuriously smooth surface ideal for high resolution photographic imagery. It is able to produce extremely crisp and accurate detail as a result of its leadership (when measured against other fine art papers on the market today) in tonal range value, line quality, line contrast, and raggedness.

Compatible with EcoSol and high grade solvent inks as well as UV and latex inks.
